SIR,

**Subject** Formation of layout of shop sites in front of New Santhepet, Mysore - Major estimate for Rs.1,50,000/- - Sub estimate for Rs.14,000/- for laying underground drainage sublines in the area.

---

Adverting to Government Order No.L.8586-89/ITB.13-51-14 dated 10/15-11-1951 according sanction to the above major estimate, I write to enclose herewith a sub estimate furnishing details for Rs.14,000/- for laying underground drainage sub lines to the layout, as approved by the Board of Trustees at its meeting held on 27-7-55 vide No.139, a copy of which is enclosed for ready reference.

In the original sanctioned estimate, a sum of Rs.11,700/- has been earmarked for laying underground drainage sub lines for 2340 Rft at Rs.5/- per Rft. As the layout works are under progress and the formation of roads and drains has been completed, it is now proposed to lay underground sewer lines in the newly formed roads and ultimately link on to the nearest northern outfall lines running to the west of the layout and on the left bank of old Purniah Nala. The extra cost of Rs.2300/- will be met out of the lumpsum provision of Rs.4726/- sanctioned in the major estimate under Miscellaneous and unforeseen works.

In these circumstances, I request you kindly to obtain and communicate at a very early date, the approval of Government to the detailed estimate against the lumpsum provision referred to above.

14,000
11,700
2,300

Yours faithfully,

S. Linganna.
(S.Linganna) 12/8.
Chairman.

MYSORE.

No..... *Dated*...12th Aug.*195* 5.

Report to accompany the detailed estimate for laying sub lines in the New Santhepet area, Devaraja Mohalla Mysore.

---

An estimate for Rs.1,50,000/- has been sanctioned for the layout works in New Santhepet area, wherein a lump sum provision of Rs.11,700/- is made for laying underground sewer lines. The layout works in the above area are almost completed with the formation of roads and drains etc., and the work remaining to be done is to lay the sub lines for the underground drainage work.

The present estimate is got up for laying the sub lines, as per actual requirements, and it amounts to Rs.14,000/- During the year 1954, an estimate for Rs.1580/- has been approved for deviating a sewer which was running across the layout and the work has also been completed, charging the cost to the lumpsum provision of Rs.11,700/- made for underground drainage works in the sanctioned layout estimate. Now the present estimate includes the above sub estimate also

The present sub line is designed to take the sewage from about 300 houses situated in the Western Ediga Extn and also from a part of New Santhepet area and a part of Bannimantap extension. This sub line is joined on to the second manhole of another sub line already laid in the Medars' Block area. These two sub lines converge and ultimately get linked with the first manhole of the main outfall line laid in the Yadavagiri valley, under Northern outfall works, sanctioned for Rs.6 laksh.

P.T.O.

(3)

The extra cost of Rs.2300/- involved for this work over the lumpsum provision made in the main estimate will be met out of the Miscellaneous and unforeseen item of the estimate for Rs.4726/-

The necessary provision will be made in the modified layout estimate, which will be got up as per actuals.

T.V.Rajaratnam

Trust Board Engineer.
